

St. Bernadette Scholarship Campaign Educational Tax Improvement Credit (EITC)

Significant **Tax Advantages** for Businesses Significant **Educational Advantages** for Students

The Educational Improvement Tax Credit (EITC) is a tax credit reduction that many businesses in Pennsylvania are eligible to receive, but not aware. **This tax money can be designated to go directly to St. Bernadette School** to help offset tuition for students who would otherwise would not be able to attend our wonderful school.

3 easy ways our Parishioners and Families can help us reach our goal:

- ✓ Find out if your business participates in an EITC/OSTC program. If so, ask them to designate a percentage of their contribution to St. Bernadette's (contributions can be divided among schools).
- ✓ Invite your company leaders to learn more about the program and start taking advantage of the programs.
 - The one-page application can be filled out in less than one hour.
- ✓ Become a member of our Scholarship Committee: We need 3-4 people who are accountants, sales people, insurance or real estate help raise awareness of the program.

To discuss how your business can benefit from this "win/win" opportunity, or be a part of our Scholarship Committee, contact

Ciaran Bellwoar, Director of Advancement, 610-789-7676, ext. 211
