

News and Notes from the principal!

- We arrive at the last week of full days!
- Exams are taking place this week; each of the classroom teachers should have communicated with you on the schedule their particular class is following. Some of the upper grades are starting earlier because they have more exams to cover.
- The Preschool and Kindergarten Shows are coming up on the 9th and the 10th.
- We will be establishing a little cleaning schedule from June 21st to the 30th. Sr. Miriam Elizabeth and I will be doing a final cleaning of several areas in school: the science lab, the faculty room, the art room, the TV studio, and the computer lab. We will be working on Monday to Fridays only, and only in the morning from 9:30 to 11:30. If any adults or students can help out, it would be greatly appreciated; it would greatly decrease the work load for us. We will have a sign-up sheet in next week's sbscommunications.
- You should have received the summer reading requirements for each of the grades; if you have not received it, it is because several teachers have asked to place it with the report card in the report card envelope; their hope is that there is a better chance the reading list will really make it to your house. Many of the teachers have also posted the reading requirements on their web pages.
- Summer Bridge Books have been ordered; as soon as they arrive, we will get them to you.
- We are having a little good-bye clap out ceremony for our 8th graders on Thursday, June 10th. At dismissal, all the students will line up outside and as the 8th graders pass through the lines, we will all clap for them. Unfortunately, I might miss this lovely good-bye; I have been called for jury duty that day. I will make sure someone takes pictures for the website.
- This will be the last News and Notes for this year; the next News and Notes will be done by Janet Lien, our new principal! Have a wonderful, safe, and blessed summer.
- Dismissal on Friday will take place around 10:00 AM, following our last Mass.
